

**BROMONT, MONTAGNE D'EXPÉRIENCES INTRODUCES HISSÉO**  
An aerial adventure park at Mont Soleil

**Bromont, Thursday, April 27, 2023** – Today, Bromont, montagne d'expériences unveiled the name and brand image of its aerial adventure park at Mont Soleil, which is scheduled to open on Monday, June 12.

"We were eager to unveil the new image of the aerial adventure park," said Marc-André Meunier, Director of Sales and Marketing. "Hisséo represents an important addition to our summer and fall activities. Access to the adventure park will also be available as an option to the Water Park ticket at an attractive rate. It will be a great activity for the entire family!"

**HISSÉO**  
**PARC D'HÉBERTISME**

In the heart of Mont Soleil, the Hisséo aerial adventure park is composed of different courses combining climbing walls, zip lines, rope games and giant swing. The circuits, on 4 levels of height and difficulty, will please both children and thrill seekers alike. The only one of its kind in the region, the aerial adventure park will complement the activities offered by the resort's water park and mountain bike trails.
