➤ Camp Mille Aventures

A Customer wishing to cancel their child registration to **Camp Mille Aventures** (the “camp”) must notify the camp in writing by completing the present resiliation form and sending it by email to campmilleaventures@bromontmontagne.com.

The following refund terms apply, as applicable:

- **Before the start of the camp:** you are entitled to a full refund, issued using the same payment method as the original purchase.
- **After the start of the camp:** you are entitled to a partial refund based on the number of remaining camp days, less an administrative fee equal to the lesser of \$50.00 + taxes or 10% of the cost of the unused services. The refund will be issued using the same payment method as the original purchase.

For calculation purposes, the unit price per day is determined by dividing the total price paid for camp registration by the total number of scheduled days. The refundable amount corresponds to the number of remaining days multiplied by this unit price, less the applicable administrative fee.
