**Bromont, montagne d'expériences Kicks Off Its 2026 Summer Season**

**Bromont, June 15 2026** - The Water Park at Bromont, montagne d'expériences welcomed its first visitors last Thursday, June 11. The opening was highlighted by the debut of GIGANTICO, a brand-new thrill zone representing an investment of more than \$11 million, made possible through support from the Tourism Industry Recovery Assistance Program (PARIT).

With the return of summer, the destination is launching a season filled with excitement, inviting families and visitors of all ages to make the most of its attractions and water park facilities. The start of the season is also marked by the arrival of numerous school groups celebrating the end of the school year at the Water Park.

**A New Zone Designed to Push the Limits**

With three new waterslides, GIGANTICO adds an extra dose of adrenaline to the Water Park experience. Visitors can expect steep drops, high-speed acceleration, and moments of near weightlessness. "GIGANTICO enhances our offering with an experience designed primarily for our teenage guests, a segment for which we have wanted to expand our attractions for quite some time. It marks an important milestone in the evolution of our Water Park," said Charles Désourdy, President.

**A Complete Summer Experience**

Beyond the new slides, visitors will also discover new food and beverage offerings designed to enhance their on-site experience.

The season will also feature the return of popular events such as Lumin'o and Festivague, along with several other activities and special events that will keep the Water Park buzzing throughout the summer.

**A Strong Start to Summer**

With the arrival of GIGANTICO, Bromont, montagne d'expériences continues its commitment to delivering distinctive and memorable summer experiences that combine fun, innovation, and shared moments. The 2026 season is shaping up to be one of the Water Park's most exciting yet.

**About Bromont, montagne d'expériences**

Bromont, montagne d'expériences is a four-season destination located in Québec's Eastern Townships, offering a wide range of outdoor activities for all ages. Its attractions include skiing, mountain biking, hiking, and a family-friendly water park that also appeals to thrill-seekers. The destination is also distinguished by a rich and diverse events calendar that brings the site to life throughout the year.
